The Pink House, the first brick and mortar Kindermusik studio in Birmingham, was named the 2009 Nickelodeon Parent's Pick Award Winner for Best Music Class. Owner Charlotte Leffel was pleased and excited by the honor. "I adore all my students...it has been an amazing musical journey!"

Charlotte is no stranger to accolades. Her studio has been designated a Maestro program for nine years in a row. This status is reserved for the top 5 percent of all Kindermusik programs worldwide.
